**Cultural Impact Ministry**  
**Living for the Brand Cowboy Church**  
**902 NE Loop 7**  
**Athens, Texas**

Our friends and fellow patriots, Bill and Patty Gallagher have invited me to speak on Governor Abbott's \$295 Million Contact Tracing Contract for the Living for the Brand Cowboy Church's Cultural Impact Ministry.

The program will also include medical activist, Dr. Ivette C. Lozano, M.D. who will be sharing her personal experience treating patients with the Chinese Wuhan Virus Hearing about the obstacles physicians face from government regulators to control how they treat patients will be very informative.

The event will be in the church's spacious air conditioned sanctuary while observing all the proper distancing recommendations. If you come with immediate family members or friends, you may sit closer together. Masks will not be required. Feel free to wear one if that is your personal choice. **I will not.**

Looking forward to seeing you there,
